

## Conventional Fasteners

**The fasteners we use to assemble the enclosures are Machine Screws. We have a variety of sizes and finishes available.**

2-56 x 1/4" phillips pan head - materials & finishes available (Zinc, Black Oxide & Stainless)  
2-56 x 1/4" phillips flat head (82° & 100°) - materials & finishes available (Zinc, Black Oxide & Stainless)  
2-56 Hex Nut - materials & finishes available (Zinc & Stainless)

4-40 x 1/4" & 3/8" phillips pan head - materials & finishes available (Zinc, Black Oxide & Stainless)  
4-40 x 1/4" phillips flat head (82° & 100°) - materials & finishes available (Zinc, Black Oxide & Stainless)  
4-40 Hex Nut - materials & finishes available (Zinc & Stainless)

6-32 x 1/4" & 3/8" phillips pan head - materials & finishes available (Zinc, Black Oxide & Stainless)  
6-32 x 1/4" & 3/8" phillips flat head (82° & 100°) - materials & finishes available (Zinc, Black Oxide & Stainless)  
6-32 Hex Nut - materials & finishes available (Zinc, Black Oxide & Stainless)

8-32 x 3/8" phillips pan head - materials & finishes available (Zinc, Black Oxide & Stainless)  
8-32 x 3/8" phillips flat head (82°) - materials & finishes available (Zinc, Black Oxide & Stainless)  
8-32 Hex Nut - materials & finishes available (Zinc, Black Oxide & Stainless)

10-24 x 3/8" phillips pan head - materials & finishes available (Zinc)  
10-24 x 3/8" phillips flat head (82°) - materials & finishes available (Zinc)  
10-24 Hex Nut - materials & finishes available (Zinc)

10-32 x 3/8" phillips pan head - materials & finishes available (Zinc & Stainless)  
10-32 x 3/8" phillips flat head (82°) - materials & finishes available (Zinc & Stainless)  
10-32 Hex Nut - materials & finishes available (Zinc & Stainless)

M3 x 6mm phillips pan head - materials & finishes available (Black Oxide & Stainless)  
M3 x 6mm phillips flat head (90°) - materials & finishes available (Stainless)  
M3 Hex Nut - materials & finishes available (Zinc & Stainless)

M4 x 6mm phillips pan head - materials & finishes available (Black Oxide & Stainless)  
M4 x 6mm phillips flat head (90°) - materials & finishes available (Stainless)  
M4 Hex Nut - materials & finishes available (Zinc & Stainless)

M5 x 10mm phillips pan head - materials & finishes available (Zinc)  
M5 x 10mm phillips flat head (90°) - materials & finishes available (Stainless)  
M5 Hex Nut - materials & finishes available (Zinc)

M6 Hex Nut - materials & finishes available (Zinc)
