About the Opportunity:

Protocase is currently seeking a dedicated and experienced **CNC Machining Technologist/Specialist** to join our **CNC Machining Division** in **Sydney (Cape Breton), Nova Scotia**.

Our customers – engineers, designers and scientists – depend on Protocase to quickly and accurately CNC machine custom enclosures, panels and parts. Our CNC Machining equipment includes 3- and 5-axis milling machines, CNC Router, and CNC turning.

As a leader of the busy CNC team, you will be responsible for a variety of duties:

- Help operators and programmers to optimize jobs

- Solve problems
- Improve processes
- Perform CNC programming tasks
- Help troubleshoot equipment problems and repairing equipment as needed with in-house and/or manufacturer support

Essential Skills:

Above all else, we are looking for a candidate who possesses both the passion for and experience in CNC Machining.

- A degree or diploma in CNC machining, mechanical technology, or a related discipline, from a program of 3 months to less than a year
- Five or more years of experience with CNC machining, including 3 and 5 axis-milling and CNC turning with live tooling
- Experience with programming CNC machine tools
- Keen attention to detail and commitment to accuracy
- Excellent written and oral communication skills
- Effective interpersonal skills and a team-player attitude
- Own transportation
- Criminal record check and confidential security clearance
- Ability to lift up to 23 kg (50 lbs)

About the Benefits:

In exchange for your hard work and dedication, the successful candidate will earn a yearly salary ranging from \$43,000 to \$56,000 for 40 hours per week, plus a variety of benefits:

- Medical, Dental, Life Insurance and Group Insurance Benefits after six months
- Two weeks' vacation (three weeks' vacation at three years of employment; four weeks' vacation at five years)
- Cost-shared Company Pension Plan and YMCA Fitness Membership after six months
- Regular social events, including go-karting, learning lunches, golf tournaments and seasonal parties

Although our business is growing, our team remains supportive, inclusive and tight-knit. Continuous improvement has always underpinned our success and we actively foster an environment of open communication, creative collaboration and the sharing of ideas.
